

This is by no means a complete listing of all Pogo or Walt Kelly books. These are the books that most readers or beginning fans will be looking for. While virtually all are long out of print, they can usually be found at reasonable prices in used book or comics stores.

Simon & Schuster books

All were originally published in paperback except *Songs* and *Ten Years*. This list makes no effort to distinguish variants of individual titles. The year of publication and primary format is listed after each book: D = Daily strips, S = Sunday strips, O = Original material.
